This document is a legal contract and by accessing, browsing, or using the Website you agree to be bound, without limitation or qualification, to the terms of use set forth below ("Terms of Use").

Redlen reserves the right to modify, change, alter or otherwise edit these Terms of Use at any time by updating this posting. As long as you comply with these Terms of Use, Redlen grants to you a non-exclusive, non-transferable, non-sublicensable, limited right to enter, display and use the Website.

You agree that your use of the Website will comply with any and all applicable laws. In addition, you agree not to take any steps in connection with your use of the Website that could adversely affect Redlen, including engaging in or attempting to engage in the following conduct:

Interrupting the operation of this Website in any manner whatsoever, including by imposing an unreasonable load on the Website's infrastructure;

Deleting or revising any material or other information of any other user, Redlen or any third party;

Taking any other action that could endanger or cause damage to Redlen, other users of the Website, or other third parties.

Redlen may take any action that it deems appropriate if it determines, in its exclusive discretion that you have engaged in any of these practices or otherwise violated these Terms of Use. Such action may include termination of your license to access the Website or initiation of civil or criminal legal proceedings. Under these circumstances, Redlen may also investigate your use of the Website and provide information about your use to law enforcement.

SUBSITES

You may be required to agree to a supplemental terms of use agreement in order to access certain portions of the Website, which are known as “subsites”. If you attempt to access a subsite that requires you to enter into such a supplemental agreement, Redlen will advise you and provide you with an opportunity to review the supplemental terms and agree to them before accessing the subsite or using such subsite’s services. Both these Terms of Use and the supplemental terms will govern your use of the subsite. In the event of any inconsistency between these Terms of Use and the supplemental terms, the supplemental terms of use will control, except that nothing in the supplemental terms of use may limit (a) Redlen’ disclaimer of warranties, (b) your agreement to indemnify Redlen, or (c) the licenses you grant to Redlen in your Communications (as the term is defined below) or other intellectual property.

OUR INTELLECTUAL PROPERTY RIGHTS

You may not change the Content in any way or reproduce, publicly display, distribute or otherwise use the Content for any public or commercial purpose. Any reproduction of the Content on any other web site or networked computer environment for any purpose is prohibited.

Trademarks:

The trademarks, logos, service marks, trade names, product names and slogans displayed on the Website are registered and unregistered marks of Redlen Technologies Inc. or third parties (collectively, the “Trademarks”). However, you agree that Redlen has no obligation to use any idea or material contained in a Communication and you have no right to compel such use.

You agree that none of your Communications will include material that:

Redlen does not wish to receive Unsolicited Ideas from you and has expressly advised you not to submit them. If you nonetheless intend to submit an Unsolicited Idea, Redlen strongly recommends that you first consult a lawyer in order to evaluate the effect that submitting such an Unsolicited Idea would have on any rights that you might otherwise have.

Nonetheless, if you do send Redlen an Unsolicited Idea that is not already protected by a patent or is not public information, it immediately becomes the property of Redlen. By submitting an Unsolicited Idea to Redlen, you agree to convey your ownership interest in the Unsolicited Idea to Redlen and that Redlen will exclusively own all rights, title and interest therein.
